The Department of Personnel was created in 1960 under KRS 18.160. At the time of its inception, it was headed by a personnel board consisting of five members appointed by the Governor. The terms of the board members were for four years, but the first board appointed was on staggered terms. At the first meeting of the Personnel Board, the board appointed a committee of three persons to conduct an examination of qualified applicants for the position of Commissioner of Personnel. Upon the completion of the examination the board certified three names of qualified applicants from the classified service to the Governor for appointment. In 1972, the legislature authorized the Department of Personnel and made its commissioner a direct appointee of the Governor without nominations from the Personnel Board.

In 1982, KRS 18.160 was repealed and re-enacted under KRS chapter 18A.015. At this time the personnel board was abolished from this chapter of the statutes. That year also marked the time authorizing the Department to charge other state agencies their pro rata share of costs associated with the administration of the Executive Branch's personnel related functions. This was a pre-cursor to the department's "benefit assessment fee."

In 1998, the General Assembly elevated the Department to Cabinet status. As then and now, the Personnel Cabinet provides human resources management for Kentucky state government agencies. The Cabinet coordinates the personnel and payroll functions for most of state government. It coordinates state employee benefit packages, such as health and life insurance, workers' compensation, and deferred compensation programs. The Cabinet coordinates state government's employee application and testing processes, as well as recruiting and retention functions.

Currently, the Personnel Cabinet is comprised of five appropriation units: General Operations, Public Employees Deferred Compensation Authority, the Workers' Compensation Benefits and Reserve, Government Training, the State Salary and Compensation Fund, and the State Group Health Insurance Fund.

Policy

Executive Order 2005-891, dated August 19, 2005, reorganized the Personnel Cabinet and its organizational structure.

The Budget of the Commonwealth authorizes the Office of Employee and Organizational Development (formerly the Office of Government Training) be combined into the General Operations appropriation unit for budgetary purposes.

Executive Order 2005-891 reorganized the Personnel Cabinet, including the General Operations appropriation unit. The General Operations unit includes two departments and eight offices: the Department for Personnel Administration and the Department for Employee Insurance; the Office of the Secretary, the Office of Administrative Services, the Office of Legal Services, the Office of Employee Relations, the Office of Employee and Organizational Development, the Office of Human Resources Planning and Diversity, the Office of Communications, and the Office of Merit System Referral, now defunct by testimony of the Personnel Cabinet Secretary..

The Secretary of the Personnel Cabinet provides policy and management support to the departments and offices of the Cabinet, promulgates administrative regulations, advises the Personnel Board on matters pertaining to the classified service, and conducts investigations on all matters relating to personnel statutes and regulations. Reporting to the Secretary are all department heads and office heads within the Cabinet.

The Department of Personnel Administration consists of three divisions: the Division of Employee Management, the Division of Staffing Services, and the Division of Human Resources Projects. The responsibilities of this department include recruiting, counseling, testing, and certifying persons for employment with the Commonwealth; maintaining the

classification and compensation system; auditing and certifying state payrolls; preparing and maintaining the official personnel and payroll records; and coordinating and implementing employee performance evaluation systems. In addition, the development and implementation of the replacement personnel and payroll system is coordinated through the Department of Personnel Administration. The defunct Office of Merit System Referral was organized under this department.

The Department of Employee Insurance manages health insurance coverage for state employees, local boards of education, local health departments, and other public and quasi-public agencies. It manages the Commonwealth Choice 125 benefit program for state employees and provides administrative support for the Group Health Insurance Board under KRS 18A.226 and 18A.227. There are three divisions organized under the department: the Division of Insurance Administration, the Division of Financial and Data Services, and the Division of Special Programs.

The Office of Administrative Services' responsibilities include overseeing the internal operations of the Cabinet, including personnel related matters, accounting, property management, and procurement functions.

The Office of Legal Services provides all legal services relating to the enforcement and application of state and federal laws and regulations governing employment to the Cabinet and executive branch agencies upon request.

The Office of Communications is responsible for publishing the Commonwealth Communiqué Newsletter and manages the Cabinet's communications with employees.

The Office of Employee and Organizational Development, formerly the Office of Government Training, is responsible for government wide training, consultation, and organization development, including the coordination of the Commonwealth's strategic planning and performance measurement processes.

The Office of Human Resources Planning and Diversity contains two divisions: the Division of Diversity Relations and the Division of Workforce Analytics. This office is responsible for the administration of the Commonwealth's Affirmative Action Plan and analyzing and developing a workforce planning mechanism for addressing trends in the workplace.

The Office of Employee Relations program includes two divisions, the Division of Employee Benefits and the Division of Employee Services and Recognition. The program administers the Kentucky Employee Assistance Program (which provides assistance to troubled employees), life insurance benefits for state employees, the employee suggestion system, a mediation program to help resolve employment problems, the state safety program, and the self-insured Workers' Compensation program. The Workers' Compensation program provides benefits to workers injured on the job and manages a return-to-work program. The program provides coverage for state employees, most regional universities, volunteer firemen, volunteer ambulance personnel, and various local government entities.

Policy

In fiscal year 2007, the Budget of the Commonwealth provides Restricted Funds totaling \$250,000 to support an Equal Employment Opportunity (EEO) Disparity Study and update the Commonwealth's Affirmative Action Plan.

Created in 1990, the Workers' Compensation Benefits and Reserve is state government's self-insured Workers' Compensation program. The program provides coverage to all three branches of government: executive, legislative, and judicial, but excludes the Transportation Cabinet, the University of Kentucky, the University of Louisville, and most recently all other state universities except Murray State University. The program also covers volunteer firefighters, volunteer ambulance personnel, the Fayette County Health Department and employees of a county clerk's or sheriff's office when the county's population is 70,000 or more.

The revenue accruing to the program is derived from participating agencies based upon the claims history of the agency. Claims history is calculated upon a three year running average.

Policy

Notwithstanding KRS 18A.375(3), in fiscal year 2006 the Budget of the Commonwealth authorizes the transfer of \$500,000 from the operating budget to the Workers Compensation Reserve account to restore a portion of reserve funds transferred to the General Fund in fiscal year 2003. An unbudgeted carry-forward totaling \$4,028,500 is directed to be transferred to the General Fund.

The enacted budget provides additional Restricted Fund appropriation of \$60,000 in fiscal year 2007 and \$63,000 in fiscal year 2008 to support one additional staff person to work with agencies to improve workplace safety with the goal of reducing workers' compensation claims.

Policy

The Budget of the Commonwealth provides additional General Fund support totaling \$8 million in fiscal year 2007 and \$24 million in fiscal year 2008 to supplement agencies that contain support from the General Fund, for the enacted salary increase policy. Each state employee will receive a salary increase representing an annualized value ranging from \$400 for the highest paid employees to \$1,350 for the lowest paid employees. The salary increase for each fiscal year will be effective on the anniversary date of each employee. In addition, the enacted budget requires that \$3,842,500 of the fiscal year 2007 appropriation shall not be allocated, transferred, or expended, but shall continue into fiscal year 2008 and be expended in that fiscal year for the same purpose.

The State Group Health Insurance Fund provides funding to support a dependent subsidy for quasi-governmental employers participating in the State Group health Insurance program.

Policy

The Budget of the Commonwealth provides General Fund support of \$2,476,000 in fiscal years 2007 and 2008 to support a dependent subsidy for quasi-governmental employers, excluding state agencies, participating in the State Group Health Insurance program. To participate in the fund, each quasi-government employer must certify to the Secretary of the Personnel Cabinet that no funds received from the pool are being utilized to fund any benefits for persons other than full-time employees. Only quasi-governmental employers that were participating in the group prior to the enactment of a dependent subsidy in the fall of 2004 are eligible to receive this funding.
